Mr. Chris Dockery  
Lumpkin County Commission  
99 Courthouse Hill, Suite H  
Dahlonega, Georgia 30533

Dear Mr. Dockery,

Ninth District Opportunity is requesting permission for the Lumpkin County school system's preschool special education class to be located in one of the lower level classrooms of the J.B. Jones Preschool Building. This location allows children with special needs to be included in regular education classrooms to the fullest extent possible and prevents the loss of valuable classroom hours that would occur if these children were to be transported between the two programs.

This classroom has been located at the J.B. Jones Preschool for numerous years. I believe verbal approval was obtained by my predecessor, but I wish to have written consent from the Commission.

As always, our program is appreciative of the continued support of the Lumpkin County Commission and I look forward to your favorable reply to our request.

Sincerely,

Kay Laws  
Head Start Director
